Please study these verses and then answer the following questions. Be concise in your answers. List specific principles that you glean from your study of these passages and give the accompanying scripture reference.

1. Each of the items listed above are considered to be "attributes" of God? What is an attribute? Come up with your own way to illustrate what an attribute is and how the various attributes interact with each other.
2. For each of the attributes listed above (after having studied the verses), answer the following questions...
 - a. Write out, in your own words, a definition of what the attribute means.
 - b. Why is this attribute important in regards to understanding who God is?
 - c. How is it important to you personally that this attribute be true of God? In other words, what difference does this aspect of God's character make in your day to day life?
3. How does this study impact your love and worship of God? What has the Lord put on your heart regarding your own growth as a result of this study?
